■ **Testimonial:** "Absolutely what people all over the world need to be doing right now" — Jill Lublin, Best-Selling NYTimes Author

■ A Critical Need:

- COVID-19 has negatively impacted nearly everyone in the world, none more so that the families that lost a loved one due to the disease.
- Unexpected illnesses or death can rob us of the opportunity to learn more about the lives of our loved ones
- We often do not obtain the degree of happiness we would like with our loved ones because we don't see their interests at different stages of their lives and see the commonalities between us

HELPING PRESERVE A LIFETIME OF MEMORIES
PARENT • SPOUSE • CHILD • GRANDPARENT • AUNT • UNCLE • RELATIVE • FRIEND

HELPING CONNECT THE JOYS IN A LOVED ONES LIFE TO YOU & YOUR FAMILY

Regardless of a Person's Education, Income or Success, Most People:

- ☒ Don't Star in a keepsake book that includes stories, facts and pictures of their life that they would be proud to share
- ☒ Don't share the details of their lives that made them happy
- ☒ Don't think their life is of much interest to others
- ☒ Don't spend time chronicling the different stages in their lives
- ☒ Don't create a living document to pass on to loved ones
- ☒ Don't think about the little things in their past that brought them happiness
- ☒ Don't know how to communicate well with loved ones on certain issues
- ☒ Don't know how to keep their memories alive for loved ones
- ☒ Don't have a system to use so they can easily create and share information with loved ones

Readers/Users Get All The Tools To Properly:

- ☑ Document loved ones interests at different times in their lives
- ☑ Collect information on a wide range of subjects including school, work, food, sports, relationships, music, books and entertainment
- ☑ Share their thoughts on many key areas in their loved ones lives
- ☑ Highlight their loved ones proudest achievements
- ☑ Create a living document complete with stories, pictures & audio
