

THE MEASURE OF A PERSON'S WEALTH IS NOT HOW MUCH YOU MAKE, IT'S HOW MUCH YOU GET TO KEEP

LYLE BENJAMIN
Activist, Entrepreneur, Speaker

Lyle Benjamin has been an entrepreneur since his college days. He owns the distinction of being the only person ever to have been the publisher of a national newsstand magazine and a best-selling board game at the same time.

In 2019, Benjamin created the 501(c)3 educational not-for-profit **Planned Acts of Kindness** with the objective of providing Quality of Life for everyone by developing a more unified world by gamifying Karma and instilling a greater sense of civility, social responsibility, volunteerism and global citizenship in people.

In 2021, Benjamin launched **One Planet One People** first as an environment platform, and then as an umbrella movement fully aligned with all 17 Sustainable Development Goals of the United Nations to unite people and institutions around the globe on tipping point and quality of life issues that require immediate global action.

Both organizations have earned the praises of schools, faith-based organizations, non-profits, government agencies and businesses including Google, the Peace Corps, Simon Property Group, and Jack Canfield, Best-Selling author of *Chicken Soup for the Soul* and *The Success Principles*.

In keeping with his mission of helping people, Benjamin created the educational program *Money Matters Mastery* to educate people on financial literacy and planning, so they can better provide for themselves, their families and their futures.

Benjamin is the author of several non-fiction personal development books including *The Working Dead: The Essential Survival Guide on How to Protect, Save & Invest for yourself, Your Family & Your Future*; *ONE: The Fight For Survival Of The Human Race*; *16 Things We All Can Do To Act Right & Help Save The Planet!* and *Legacy Lifelines: Memorial Edition: Creating Legacies for Lost Loved Ones*. Benjamin's goal is to collaborate with organizations and governments around the world to give a free memorial book to every family that lost a loved one due to COVID-19 to help with them with the healing process.
